

We Do Things.

myhost.

**Domain Registration Account Initial Setup
& Access Guide:**

Step 1: Navigate to [MyHost Domains](#) and enter in the **domain** you want to purchase. Follow the on-screen steps to complete your purchase. Make sure the domain selected matches what you specified on the form.

Step 2: If you don't already have a MyHost account, you'll be prompted to create one during the purchase process. Use an email address you can access easily, as it will be used for managing your domain and billing.

Step 3: Once purchased, you have two options for giving us access:

- **Option 1:** Share your login details with us by emailing them to **clint@wedothings.nz** so we can manage the subscription directly on your behalf.
- **Option 2:** Add *We Do Things* as a user to your account with all permissions using the email **clint@wedothings.nz**. For detailed instructions on adding users and managing permissions, please refer to [MyHost – Adding or Removing Users](#).
