## **Elementor Account Initial Setup & Access Guide:**

**Step 1:** Navigate to [Elementor Pro Plans](#) and purchase the Advanced Solo Plan. Follow the on-screen steps to complete your purchase.

**Step 2:** If you don't already have an Elementor account, you'll be prompted to create one during the purchase process. Use an email address you can access easily, as it will be used for managing your subscription and billing.

**Step 3:** Once your plan is active, you have two options for providing us with access:

- **Option 1:** Share your login details with us by emailing them to **clint@wedothings.nz** so we can manage the subscription directly on your behalf. *This option is preferred.*
- **Option 2:** Log in to your new Elementor account, click the user icon (person avatar) at the top right, and select Subscriptions from the dropdown. On the Subscriptions page, click Manage this subscription under your recently purchased plan. Then, where it says "License key:", copy the license key in full and email it to **clint@wedothings.nz**. *It is strongly advised to also provide your login details in addition to the license key for this particular service.*
